Spring/Summer 2012 CSA Registration Rev. D 5/14/2012

C. Schedule of Deliveries

The Spring/Summer Schedule will start (weather permitting) on **Sunday, May 6th and Wednesday May 9th** and will run for 26 consecutive weeks with no breaks. Weds July 4th may be rescheduled (TBD). The season will wrap up on October 28th and October 31st. We suggest you find someone to pick up your share for you if you cannot make the pickup. **You are responsible for the payment whether you pick up your share or not.** If you do not pick up your share, you can have it redelivered for a \$10 convenience fee. You must contact us within one day of a missed pickup. If a customer fails to call, **unclaimed shares are forfeited.**

D. About Portion Sizes and Packages

We try to be as flexible as possible for your convenience, so you can build your box customized to suit your needs. You can choose "packages" or you can piece it together from individual items or both. It partly depends on if you like to be surprised or not. It is not necessary to buy a package, but we do have a \$22.50 minimum standing order. **You will also have an opportunity to buy extras through a special orders e-mail that goes out before each delivery.**

MEATS: If you choose a meat package, we will rotate through different types and cuts of meat for you based on our inventory and what you've received before. Ordering packages makes life a lot easier on us as we can balance our inventory much better. That's why we make packages a better value... you get a bit more for less money. We try and assure you get an average value of around \$11 or \$12 per portion (chicken, pork, beef)... sometimes it's more and sometimes less, depending on cuts. **One "meat portion" is, at minimum, enough for one meal for two adults.** If you have a larger family, you may want to order more than one package or portion. If you order two of the same meat portions and want it all the same meat so you can feed four or more, just check the box in Section F. We have free-range chicken, beef and pork available for CSA shares. We do plan to have lamb.

PRODUCE: Fruits and vegetables are available only in packages except for occasional extras that are available off of the truck at your delivery. Certain fruits that are insufficient in quantity to give to everyone will be made available on a special order basis. You will receive weekly what is being harvested according to its season in quantities explained below. This volume may increase or decrease based on the weather and the nature of the mix provided. We strive to give you, at minimum, what you ordered. We cannot guarantee what produce you will receive in your box. There should be enough food to share with your neighbor or swap with another member if you don't like a particular vegetable. **We do not tailor boxes for customers based on their likes and dislikes.** Each customer gets a portion of whatever happens to be harvested at the time.

Meat & Egg Package 1 Chicken Portion, 1 Pork Portion, 1 Beef Portion, 1 Breakfast Meat and 1 Dz Eggs

Feeds 2 adults for at least 3 meals along with breakfast meat and a dozen eggs. When you complete the registration form you'll have an opportunity to state your preferences (e.g., say you don't eat pork or you don't want to receive beef, etc.) **We will fill in with more of the meats you like.** We suggest TWO meat packages per delivery if you are feeding a family of 4 or more.

Examples of "Portions" (all weights approximates):

- 1 Chicken = 1 Chicken (whole) or 1 Pkg (2-3) Breasts or 2 Pkg (12) Wings or 2 Pkg (2-3) Leg Qtrs
- 1 Pork = 1 Pkg (2) Pork Chops or 1 Pkg (2) Ham Steaks or 2# Roast or Ribs (Smaller Portions may be supplemented)
- 1 Beef = 1 Pkg (2) Steaks, 2# Short Ribs, 2# Roast (Smaller Portions/ Lesser Cuts may be supplemented)
- 1 Breakfast Meat = 1# Package Sugar Cured Bacon, Jowl, Sausage Chub, Links or Hickory Smoked Links

Produce Only Packages ¼ or ½ bushel of fresh produce

A quarter bushel is equivalent to approximately a large men's shoebox full of food (depends on mix). In general, we suggest a ¼ bushel for a non-vegetarian couple and a ½ bushel for a family of 4 or a vegetarian couple. A half-bushel is about twice that or around 2/3 of a paper grocery bag. If you are unsure choose the smaller size because you can always upgrade but we do not allow downgrades once the season has begun.

Meat & Produce Packages ¼ or ½ bushel of fresh produce plus a meat portion (s) and eggs

Meat, produce and eggs combined in one package. Available in "standard" (single meat portion) and "family" (double meat portion) sizes. The standard share contains ½ dozen and the family share contains one dozen eggs.

G. Calculate Your Payment *Please Pick ONE of the following Payment Options.*

Prepay Check = $\frac{\text{Per Delivery}}{\text{Weeks}} \times \text{Total Cost} + \frac{\$25.00}{\text{Mem. Fee}} = \text{Advance Payment}$

Prepay PayPal = $\frac{\text{Per Delivery}}{\text{Weeks}} \times \text{Total Cost} + \frac{\text{3\% PayPal Fee}}{\text{Mem. Fee}} + \frac{\$25.00}{\text{Mem. Fee}} = \text{Advance Payment}$

Please include your PayPal email address: _____

Note: You can go to our website and click on PAY MY BILL and pay directly via PayPal. Or we can send you an invoice.

Pay As You Go $\frac{\text{Two Weeks}}{\text{Two Weeks}} + \frac{\$25.00}{\text{Mem. Fee}} = \text{First Payment}$

Note: This option requires that you pay your last delivery in advance. If you are bringing your payment to your first pickup, then please bring TWO week's payment + \$25 to the driver.

If paying by check, please enclose and make check payable to "Avalon Acres Farms, LLC".

The membership fee is \$25.00 per season and is non-refundable. This entitles you to discounted pricing on your shares (from our regular retail prices to non CSA members). We accept checks, credit cards, e-checks, PayPal, money orders and cash. We will only accept PayPal for those customers who will pay for their share in full for the season. There is a 3% fee for using PayPal. Please indicate that you want to pay via PayPal and we will send you an invoice through PayPal (**we won't charge you 3% but your discount will be 7% instead of 10%**). We can also set up recurring bank draft debits and credit card charges for those customers preferring hassle-free paying, or you can choose to pay your invoices online each week manually.

For "Pay As You Go" customers, one payment is applied to the last delivery of the season. It serves as a deposit and assumes you will participate for the entire program. Starting with the first delivery, you will pay the "per delivery" charge every week excepting the last delivery of the season at which time your deposit is applied and no money is collected. **If you choose to cancel early, this deposit is forfeited and cannot be used to pay for your final delivery received.** Members are expected and agree to complete the entire season. If you don't show up for a delivery your share is donated and you will still be responsible for the payment (see Section C for details).

H. CSA Member/Farmer Agreement

I, _____, commit to membership in the Avalon Acres Farms CSA for the 2012 Spring/Summer season. I commit myself to supporting the farm with the payment schedule I have indicated above and to picking up my share at the location I indicated in section B. I fully understand pickups will be every week for 26 deliveries running from spring through fall 2012 and I commit for the entire period. If I am unable to pick up my food I will arrange to have someone pick it up for me. I understand that if I do not pick up my share it will be donated to charity or be reabsorbed back into the CSA cooperative **at Avalon Acres' discretion; I do not expect my share to be saved for me** unless I contact Avalon Acres within one day of the missed delivery and agree to pay a minimum \$10 convenience fee to cover costs of handling and refreshing share. If I request a deviation of the schedule I may incur the \$10 convenience fee for handling and administrative costs. I understand that I am committing to support the farm for the entire season and that if I cancel I will not expect any refunds whatsoever. I understand packing materials are recycled to keep costs down I will do my best to return them.

I understand that members support the farm by sharing in the inherent risks of agriculture (poor weather, drought, disease, early frost, crop failure, predators etc.) and in the rewards of bounty (extra food) from a good season involved in farming. CSA farmers purposely plan for such contingencies, and we use growing techniques that protect the harvest, minimize the risk to members and optimize the rewards; growing a wide variety of crops that thrive in different types of conditions. The CSA is built on a relationship of trust between the farmer and the community group. On the whole, members will get a variety of vegetables, eggs and cuts of meat in plentiful amounts (depending on which plan selected), although the share size may vary depending on the weather and season. I accept that there is no guarantee as to exactly what, if anything, I will receive in my share. The winter season is generally not affected by weather conditions and usually meats are not affected by weather.

Most importantly, I understand how much my farmers value our relationship and my business!! ☺
